

HERE FOR YOU

Personalised support for anyone diagnosed with breast cancer. We listen to your needs and help you along the way.

If you have any questions, get in touch at
hereforyou@breastcancer.org
or **0800 448 0822**.

If you've been referred to Here for You, you've consented to us contacting you by phone or email. We'll get in touch in the next couple of weeks to introduce you to the support we can offer you.

If we call you, it'll be from a withheld number. Don't worry if you miss the call. We'll try your number 3 times, then let you know how to get in touch if you'd like us to call again.

We'll store your data for the purpose of contacting you by email and phone, providing personalised support and services available. Data will be stored for up to 2 years.

You can opt out at any point by contacting us and we'll delete your information.

Read more about how we'll use your information at [**breastcancer.org/privacy**](https://breastcancer.org/privacy).
